Truth$_4$: YOU CANNOT ESCAPE MINICON PROGRAMMING

The Ministry of Programming is preparing a masquerade dance; panels on subjects musical, artistic, fannish, orwellian, and yarbroesque; Krushenko's, a room for meeting people who like to talk about science fiction and fantasy; plus special events and startling surprises. To aid us in carrying out the Will of the People, a crack team of parapsychologists and structural engineers have prepared a politically correct PROGRAMMING SURVEY elsewhere in this mailing. Please fill out and return same.

Truth$_5$: WE HAVE DESIGNS ON YOUR DESIGNS

A message from the Ministry of Imagery: "Create a good impression.....draw your own conclusion." Send your t-shirt designs to Scott Raun in care of Minicon. If you haven't come up with anything by the next report, we'll get even more imaginative.

Truth$_6$: BE TRUE TO YOUR CON

~~Serve~~ Volunteer Time: Be a lemming. ♫ Wouldn't you rather be a lemming, too? ♫

Truth$_{73}$: BE POLITICALLY INCORRECT: BRING YOUR MILK CARTONS TO MINICON

The Ministry of Transportation calls you! Save your milk cartons (no plastic, please), rinse them well, and bring as many to Minicon as space allows. More truth to follow.

Truth$_{84}$: MORE! MORE!! MORE!!!

Art Show.....Huckster's Room....Films....Minnesota Munchie Movement....Video Room.....Arcade..... Parties.....All this and more at Minicon 1984!
